

“With ‘Sustainability’ in my title, our customers and prospective customers expect me to be a resource as well as an expert on the subject. *MiBiz’s* coverage on this topic is very important to me. It is the main resource I use to keep up with what is going on in local businesses, organizations and events that have a sustainability focus.”

Renaë Hesselink  
Vice President of Sustainability  
Nichols  
Muskegon, MI
